## Working Experience

---

**Research Assistant Intern**, School of Economics, UEA 02/2024 – 04/2024

- Now you mention it: Populism on perceptions and attitudes
- Conducted the literature review on European populism supply and demand strategies and data analysis using *probit* models by Stata. I also gained basic proficiency skills in using Overleaf for academic writing and formatting the tables.

**Research Assistant Intern**, Tyndall Centre for Climate Change Research, UEA 10/2023 – present

- Joined the *Tyndall Early Career Network*. My main research areas focus on the theme of accelerating social change, catalysing adaptation and resilience, and reaching zero emissions.

**Intern Member**, Steering Committee of ESG & Carbon Neutral Investment Office 07/2023 – 09/2023  
Beijing, UNIDO

- Conducted data collection, analysis, synthesis of information and mapping on selected carbon neutral topics (e.g. Carbon Capture, Utilization and Storage, CCUS). Strengthened the development of partnerships/collaborations through the writing of project proposals and work plans. Assisted in preparing and organizing meetings/focus groups with relevant stakeholders in relation to carbon neutrality and supported the reporting process.

**Trainee**, China International Youth Exchange Centre, Beijing 04/2023 – 06/2023

- Participated in the preparation of the International Cooperation and Development Conference of Young Entrepreneurs and was responsible for assisting with welcoming and supporting business delegations from Cambodian, Indonesian, Philippine, Ethiopian, and South African business delegations.

## Voluntary Experience

---

**Protocol Assistant Volunteer**, 2022 Winter Olympic Games, Beijing 11/2021 – 03/2022

- Primarily responsible for the concierge reception of VIP members. Welcomed Mr. Thomas Bach, the Polish Presidential Delegation, and the Luxembourg Heads Delegation during large-scale reception events.
